At this meeting, representatives from Vermont’s Congressional Delegation will discuss current and recent bills before Congress regarding spent nuclear fuel policies. FNWP Committee members will provide feedback on these policy proposals and share concerns raised at recent VT NDCAP meetings about spent fuel legislation. The Panel’s [2023 Annual Report](#) will also be discussed with the Delegation representatives.

The March 4, 2024 FNWP Committee meeting is scheduled to run for 1 hour. Opportunities for public questions and comments will likely be limited to assure that the invited speakers have sufficient time for their discussions with Committee members. Written questions and comments for the Committee members or the meeting speakers may be submitted to VT NDCAP's email address at PSD.NDCAP@vermont.gov for follow-up replies after the meeting.

All emails sent to the Committee become public record and may be published on the VT NDCAP website (<https://publicservice.vermont.gov/electric/ndcap>) or the Committee's webpage.

Questions regarding the March 4, 2024 FNWP Committee meeting or any other VT NDCAP meeting may be directed to State Nuclear Engineer Tony Leshinskie via the contact information noted above.
