PUBLIC UTILITY COMMISSION**

Hartford Jericho Solar LLC, a 150 kW (AC))
group net-metered photovoltaic system in) 20-2578-NMP
Hartford, Vermont)
)

Revised Affidavit of Daniel Kinney

1. My name is Daniel Kinney. I am General Manager of Runtime Solar, which has an office at 15 Railroad Row, Suite 101, White River Junction, Vermont 05001.
2. I sponsor this compliance filing on behalf of the Applicant, Hartford Jericho Solar LLC.
3. The Project completed construction on December 20, 2021. The Project was interconnected on December 21, 2021. The Eastern White Pine plantings were installed within 30 days after April 15th, 2022.
4. The annual inspection was completed on April 5, 2023.
5. Dated photographs from April 5, 2023 of the installed mitigation measures are attached with this filing.
6. Replacements of plantings that either died over the winter or were showing signs of deficiency have been completed.
7. As required by the Certificate of Public Good Conditions 12, 13, and 14, I certify that implementation of the final aesthetic mitigation plan in a manner consistent with the approved plan was completed as soon as reasonably possible.
8. Per the Commission’s Order dated August 4, 2023 which requested a revised affidavit and explanation regarding missing the filing deadline, the Applicant states that while the aesthetic mitigation plan was fully implemented within 30 days after April 15, 2022, the Condition 13 certification filing deadline was missed. Once the Applicant realized the error in missing the certification filing deadline, the filing was made to the Commission.
9. On this 9th day of August, 2023, I, Daniel Kinney, do hereby swear and affirm that the information provided in this affidavit is true and accurate to the best of my knowledge and belief, and that I have personal knowledge of, and am able to testify as to the validity of the information contained herein. I understand that if the above statements are false, I may be subject to sanctions by the Commission pursuant to 30 V.S.A. § 30.
